

Family and Community Engagement Workshop

Participant Agenda

November 19, 2015
10:00 a.m.–3:30 p.m. CST

Workshop goals:

1. To increase alliance members' knowledge and understanding of the research literature addressing promising practices to engage Native American Indian families in students' academic and career aspirations
2. To provide an opportunity to use the research literature to inform the refinement or development of family and community engagement programs or initiatives that are focused on students' academic and career aspirations

REL Southwest presenters & facilitators:

- Haidee Williams
- Erica Plut
- Jenna Zacamy
